

# Iowa State Bank SWITCH KIT

Iowa State Bank's Switch Kit has everything you need to make your move to Iowa State Bank easy and hassle-free. Simply follow these steps:

## Open New Accounts

Open your new accounts at Iowa State Bank. We'll help you choose the accounts that best fit your financial needs.

## Close Old Accounts

Close your old accounts. (We've made it easy!) Complete the Authorization to Close My Account form (inside this brochure) and mail it to your old bank. This form provides your old bank with all the information they need. (Be sure to select a closing date at least 30 days from today, to allow checks to clear and automatic items to transfer to your new account.)

## Switch

Change your direct deposits and automatic payments. Notify all the appropriate companies with the enclosed Authorization to Change My Direct Deposit and Authorization to Change My Automatic Payment forms. Be sure to attach a voided check from your Iowa State Bank account to each authorization form.
